FINANCE REPORT:

Ross presented the report for the month of May with an income of \$8160.06 and an outgoing of 19003.24 leaving a deficit over the month of \$10843.18.

This was an expected loss as it included \$10449.45 for the Anzac Day Smoko and Sunday March. Also included was \$4255.04 for OOP expenses. There was \$1084 which went to HO for token costs but we did sell \$2523.50 of the tokens plus we have \$800 worth of tokens that we can sell at no further cost to us. Talk about the \$6000 from other clubs.

Ross said that when we receive our \$6000 from the other two clubs our loss over the month would only be \$4800.

Balance at the end of the month was \$24520.20.

Moved that the Treasurer's report be received. All in favour.
